What is Measure R?

Measure R was passed by voters in November 2011. Measure R allows renovation of any Class 1 pre-2000 (old) bicycle path owned or operated by the City of South Lake Tahoe or the County of El Dorado in the CFD area. After renovation, Measure R allows maintenance funding to be directed to an old Class 1 bicycle paths.

Current Project

Construction is expected to begin on the Class 1 Bicycle Trail Replacement project on July 7th with an anticipated completion date of August 9, 2014. The Class 1 Bicycle Trail Rehabilitation project includes the reconstruction of approximately 2.6 miles of existing class 1 trail installed over twenty years ago. The project includes pulverization of the existing bike trail and installation of new pavement and striping on top of the recycled trail. Construction of two new bridge decking's and new signage is also included.
