ATTENTION PROPERTY OWNER:

The Building & Safety Division requires property owner authorization for upgrades or renovations of your building. The City needs your written authorization of the proposed work prior to issuing a permit. Please complete the following authorization form and have the applicant submit it to the Permit Center at 1052 Tata Lane, South Lake Tahoe, CA 96150, or fax to 530 541-7524, when applying for the permit.

A building permit will not be issued until this authorization is received
