Leave No Impact..... is a set of beliefs promoting respect for South Lake Tahoe neighborhoods;

dispose of waste properly,
leave what you find, respect wildlife,
and be considerate of others.

Welcome

We welcome you to South Lake Tahoe and hope you enjoy our beautiful community as much as we do. During your visit, please remember that the Vacation Home Rental (VHR) you are staying in is located within a residential neighborhood. The following "Leave No Impact" policies are an essential part of our VHR program.

Noise

No excessive or unreasonable noise is permitted at any time.

Trash

We would also like to remind you that we live in the forest. In the forest we have bears that are hungry and will go through your trash if you leave garbage bags outside of your VHR. Also, if you leave food inside of your vehicles, a bear may try to get to your food for a snack.

Occupancy

Visitors must adhere to the maximum number of occupants in the VHR. Weddings and parties are not allowed in VHR's.

Pools/Spas/Hot Tubs

Use of pools, spas and hot tubs with the use of jets, blowers and other mechanical elements that produce noise are prohibited between the hours of 10pm and 7am.

Parking

Parking at VHRs must be in compliance with all City and State parking regulations. The number of parking spaces at each VHR is posted on signage outside of the VHR.

Enforcement

If the City of South Lake Tahoe VHR Enforcement Officer issues a citation for noise, parking, occupancy or trash complaints, fines range from \$250-\$2,000.

Be Advised..... City of South Lake Tahoe residents can call the

vacation rental enforcement hotline to report complaints related to VHR's.
