## Report to the Community by Police Chief Uhler

In this edition of Police Chief Uhler's report to the community, he discusses the new design on SLTPD vehicles and SWAT response.

The Officers and staff of the South Lake Tahoe Police Department have undertaken a review appearance of the SLTPD vehicles and have concluded with a new design. The new look depicts our patch, which we are all proud to wear. The background includes a mountain scene which represents our good fortune to serve in such a beautiful place. The old logo was rather generic with just lettering on the doors. I hope you like the new look.
